I would like us to have a draft agenda for the meeting with the mayor.

Jason you have been his primary contact-has he said specifically what he wants to talk about- what his concerns are?-we need to be prepared to answer his questions- I am bringing a disk of the MacMillan HRS for him, as well as a copy of the narrative summary and a site map-it might be nice to be able to talk to him about the superfund process-and where the site is in the process-I have that summary we used for the RPM briefing and the state NAFTA summary
